

June 20, 2020 - A Message to the Clove Spring Community

POLICY CHANGE AT CLOVE SPRING

Effective immediately, Clove Spring has decided to no longer close due to weather.

Our policy regarding hours of operation will be: NO WEATHER RESTRICTIONS.

We will be open Thursday - Sunday every week for members and guests. All shooters will be asked to use their best judgment regarding weather conditions. However, in the case of lightning, it is mandatory that members and guests stop shooting and cease all activities on the property. Due to Covid-19 all shooters and guests will be asked to wait inside their car until the lightning stops. Shooting will resume when conditions permit.

In the coming weeks management will be working on and communicating more safety procedures.

Stay Safe!
