

March 18, 2020 - A Message to the Clove Spring Community

Dear Clove Spring Community,

As concerns about the spread of COVID-19 continue to become more pressing, we wanted to reach out to you once again to update you on our club operations.

Our trap & skeet fields, five stand and sporting clays remain OPEN with regular operating hours.

Note:

Your visit will be entirely outdoors.

All equipment is wiped clean after every use including machines & cards.

Hand sanitizer is available at the clubhouse upon request.

We schedule each private lesson and field reservation in one hour increments therefore it is unlikely that there are more than one reservation using the field at the same time.

Until the CDC and WHO remove restrictions, we will contact you if there are more than one reservation for the same hour.

This is uncharted territory for many of us, so please remember that facing it together is the only way forward. Stay Safe!

Sincerely,

Mike Altirs
President
